

## Rosebud Community Garden

### September Newsletter 2022

#### **Sausage Sizzle: Saturday 17<sup>th</sup> September**

A quick reminder to those people who have kindly volunteered to help on Saturday: Don't forget to bring 1KG of sliced onions (Preferably in a plastic bag as it is difficult to remove odours from hard plastic containers.)

#### **Rubbish**

Please do not put rubbish in the wooden enclosure at the side of the tool-shed. It is meant for stakes, wire netting etc. According to the rules and guidelines members must take their rubbish home so that our garden is tidy.

#### **Committee Meeting**

The next meeting will be held on Saturday 24<sup>th</sup> September.

10am: Meeting – all welcome

11am: Crop rotation workshop –Kay Champion has some ideas to help you get the best from your plot.

11.30: Working bee

12.30: Shared lunch. Please bring a plate of food to share.

## **Respect and co-operation**

Community gardens are places where people come together to grow fresh food, learn, relax and make new friends. It is important to remember that the committee members are all volunteering their time, energy and doing their best to make the garden a success.

If you have an issue to discuss please approach office bearers/committee members with respect and a spirit of cooperation. We want our garden to be a friendly place where everyone is valued even though we might not all agree on some issues.

## **Open Day**

The committee will discuss this idea at the next meeting as it has become clear due to council requirements etc. that we may not be able to get this up and running by November. Stay tuned!

Happy Gardening,

Sandra Freeman
