

ROSEBUD COMMUNITY GARDEN

DECEMBER NEWSLETTER 2024

Another successful Friends and Family Open Day!

This photo was from last year showing our queens of the kitchen Mary and Jenni hard at work with Tom in the background. (I had a computer malfunction last week and can't get my recent photos to work, sorry.)

What a fabulous day we had though. The weather gods were good to us, the music was great and we had enough food to feed the five thousand. Lots of people turned up and enjoyed the welcome to country, the talks and just generally browsing around the garden.

Thanks to all the members who contributed and especially to Gail who coordinated the day. We'll let you know how we went financially when we have the final figure, but it was the best one yet.

TOILET ISSUES

Please be aware that the hand pump on our toilet has broken and so it will not flush. We are currently negotiating to buy a new toilet. In the meantime, a bucket of water will do the trick. We had to hire a new toilet specially for our open day on Sunday.

***CHRISTMAS PARTY: WEDNESDAY 11TH DECEMBER 5.30 pm**

This newsletter is a bit early as I wanted to give you advanced warning of our Christmas Party date and arrangements.

BYO everything.

The BBQ will be on. Bring your own meat and a salad or a sweet.

BYO drinks. Tea & coffee will be provided.

This is a great opportunity to get together in a relaxed atmosphere and to celebrate a very successful year in the garden. Looking forward to seeing you all there.

Wishing everyone a happy and healthy Christmas and all the best in the New Year,
Happy Gardening,
Sandra Freeman.
