

Rosebud Community Garden

November 2024 Newsletter

Have you seen our beautiful rose arbour? The plants have nearly reached the top of the arch!

***IMPORTANT - PLEASE READ!**

Friends and Family Open Day – Sunday 24th November 11am - 3pm

Only a couple of weeks to our Open Day. Please spread the word about this day and encourage all your friends, neighbours and family members to pop in. Fliers are on the table in the clubhouse.

Our committee, led by Gail Russell (Ph 0413 092 504), has been planning and working hard to make the day successful and we would like ALL members to contribute in some way.

We need:

*Donations of festive goods for the Christmas hamper.

* Donations of cakes, slices, cookies etc for our food stall. Could all those who have offered to make these please let Gail know quantities.

* Hanging basket competition entries sent in to Gail ASAP. Baskets may be dropped off at the garden on the Saturday(23rd) before the Open Day from 10.30 onwards.

Committee Meeting / Working Bee Saturday 23rd Nov.

To help us get ready for the Open Day, we have moved the usual last Saturday in the month members' working bee and lunch to Saturday 23 November. We will have a very quick committee meeting at 10 am and then it's all hands on deck to get things ready for the Open Day on Sunday.

All members are encouraged to pop in from 10.30 to help us get set up as there will be lots to do. An hour of your time would be greatly appreciated.

Tomato plants for sale

We still have lots of tomatoes for sale but they are becoming very leggy and need to be planted ASAP. There are some interesting heirloom varieties at \$5 each:

Lemon Drop x 5 (yellow tomatoes), Jaune Flamme x 2 (small, yellow), Tommy Toe x7 (small sweet,) Rose be Berne x 3 (pink medium size), Wapsipinicon Peach x 9 (creamy /yellow, small), Sunrise Bumble x 6 (medium size golden yellow)

Please contact Gail if you would like to purchase some.

Watering

As the weather is warming up and the rain is a bit sparse, please help us out by watering another area, particularly communal areas, flower beds and fruit trees as well as your own plot. Thanks to those members who already do this.

Bunnings Christmas Market – Thursday 5th December 5-7pm.

We have been invited to have a stall at the Bunnings Christmas Market again this year. We have participated in this for the past couple of years and think it is worth doing. Bunnings have been great supporters of our garden so we are happy to join in with this fun night. Last year they had a sausage sizzle, Christmas carols, a cartoonist, free stuff for kids and various stalls run by other community groups.

Happy Gardening,

Sandra Freeman
