

ROSEBUD COMMUNITY GARDEN

October 2024 Newsletter

New Worm Farm under construction

Worn Farm

At the moment the worm farm is out of action while Sam and helpers rebuild the area. Please put any food scraps in the compost bins. We will let you know when it is up and running again.

ATTENTION !

*Please note that the committee has decided to split the Committee meetings and the working bees. They will now be held on different Saturdays.

This Saturday (October 19th) will be a committee meeting at 10am. All welcome, particularly new members.

Saturday 26th October will be the next working bee and shared lunch.

10am: Working Bee -All welcome

12.00: Shared Lunch

Meet & Greet

Last Sunday a pleasant get-together was held and was attended by about twenty members, including some new people. Thanks to those who came. We were hoping that more new members could attend so that they could meet the committee and find out more about the garden. We hope to catch up with them at the next working bee.

Bees

Thanks to our bee keeper Mark, the area around the beehive was tidied up. Thanks For doing that. Mark also took the opportunity to run a beekeeping workshop with the Dept. of Justice group.

Friends and Family Open Day

*Christmas Hamper- We need more items for the hamper. Suggestions are: nuts, pretzels, crackers, tinned salmon, tinned fruit, olives, cocktail onions, cranberry sauce.

*This is a list of tomatoes we have for sale: Wapsicum peach, sunrise bundle, rose de berne, tommy toe, lemon drop, black krim, jaune flamme, mortgage lifter.

These are all grown from Diggers seeds in 5inch pots. \$5 per plant.

Happy Gardening,

Sandra Freeman
