

ROSEBUD COMMUNITY GARDEN

APRIL NEWLETTER 2023

New raised beds built by Sam, Alfred and Tom.

Committee Meeting/working bee/shared lunch

Our next meeting will be held on Saturday 29th April.

10.00: Committee meeting – all welcome

11.00: Working bee – We'd love to see you!

12.00: Shared lunch- bring a plate to share.

Furniture

Please do not bring unwanted furniture to the garden unless you have checked with the committee first. If it is damaged, we then have the problem of getting rid of it. We really don't need any more furniture at the moment.

Cubby House

While we are more than happy for the kids to use the cubby, it would be appreciated if carers and kids could leave it in a reasonably tidy state. At the moment there is more sand inside the cubby than in the sand pit!

Open Day

Following the success of our Open Day last year the committee will be discussing the possibility of running another one later this year. Any comments and suggestions would be very welcome. Please reply to this email if you have any thoughts. We would love to hear from you.

Vegies to plant in Autumn

Broad beans, broccoli, Brussels sprouts, cabbage, carrots, cauliflower, spinach, garlic, kohlrabi, leeks, lettuce, onion, radish, spring onion, swede, turnip.

Happy gardening,

Sandra Freeman
