Newsletter April 2024

Compost Bins

Many thanks to Sam and his helpers for building our new compost bins. They look great and hopefully will make the system more user friendly. We have already commenced making compost in several bins. Please follow the signs when you have plant material to add to the bins. It is really important to cut up your prunings etc so that they will break down more easily.

Weeds

The recent rain has encouraged all the weeds to go crazy so please pull some out when you are at the garden. It would also be great if everyone tidied the area surrounding their plot.

Committee meeting

The next meeting will be on Saturday 27th April.

10.00am Committee Meeting – All welcome

11.00am Working Bee

12.30 Shared lunch- (We have some leftover sausages which will be cooked on the day.)

Container deposit scheme Thanks to Jenni and Lindsay for getting this program up and running. There is a soft collection bag at the garden in the worm farm area. Please put your bottles and cans there if you do not wish to make your own way to the Container Deposit Service in Rosebud (Unit 1/8 Henry Wilson Drive). If you choose to deposit your eligible bottles and cans direct at the CDS and want the garden to get the benefit of the refund you need to use our following code.
