Bendigo Bank Grant

We have been fortunate to receive a grant of \$1700 from the Bendigo Bank, thanks to the work of Annie Monichon for writing the grant application. This money will be used to complete the rebuilding of the compost bins and storage area. A great result!

Compost bins

The first 5 bins have now been completed and are up and running. PLEASE take note of signs and chop up your plants so that they will rot down more efficiently. Thanks again to those people who have helped with the bins.

***SPECIAL WORKING BEE* Saturday 18th and Sunday 19th May 10.00am.**

We will build 5 more compost bins and install the posts to replace the trellis wall. Anyone who can spare some time will be very welcome.

Annual Fees

Fees are due at the end of June. Your prompt payment would be appreciated. If you do not intend to continue your membership, please let Judy Bugeja (ph 0403 779 755) soon as possible so that we can allocate your plot to someone on the waiting list. Your key will also need to be returned.

Committee Meeting

This will be held on Saturday 25th May. *Please note the change of times.

Members' Responsibilities

As part of your RCG membership, everyone is required to donate at least one hour per month towards the garden as a whole. This could be helping with working bees, watering fruit trees, sausage sizzles, weeding, tidying up and being a committee member. Have a think about what you can do to help?

Happy Gardening,

Sandra Freeman
