

ROSEBUD COMMUNITY GARDEN

September 2024 Newsletter

Worm farm – help wanted!

Our worm farm is going to be rebuilt in the near future so we need some handy people or carpenters to assist with the dismantling of the current structure and then with the rebuilding. Our resident builder is injured so we need some help from other members. Help is required on a Thursday or a Saturday. Please ring Tom on 0417 042 554 if you can assist.

Committee Meeting

*Saturday 28th September (Please note changed time)

10.00: Committee Meeting – All welcome

11.30: Working Bee (sort out and clean tool shed)

1.00: Shared lunch

Compost

Would ALL members please cut up material in the compost heap. If you want good compost it needs to be chopped up so that it can rot down effectively. New signs for this area are coming soon.

Open Day- Sunday 24th November

*Time to start planting your hanging baskets.

*There is a box in the clubroom for donations for our raffle hamper.

*Pot up any cuttings and plants for sale.

*Think about how you can help to make it a success by baking, crafting and helping on the day with setting up or packing up. For further information please ring Gail on 0413 092 504

Circular communal garden

Well done to those members who are looking after this area. All the flowers and the vegetables look great.

Spring Planting

These can be planted now: Artichokes, Asian greens, beans, beetroot, broccoli, cabbage, capsicum, chilli, carrot, celery, cucumber, eggplant, fennel, ginger, herbs, leek, lettuce, melon, potato, pumpkin, radish, rocket, silverbeet, spring onion, corn, sweet potato, tomato, turnip, zucchini. Wow! What a selection.

Happy gardening,

Sandra Freeman
