

## ROSEBUD COMMUNITY GARDEN December 2025 Newsletter

Good morning Community Garden Members. Welcome to the December (Christmas) edition of the Newsletter.

### **Open Day – Sunday 23<sup>rd</sup> November**

Whilst the weather was average by all reports, the annual open day was a great success. Thank you again to all members that offered their help on the day and to Gail for organising such a wonderful event. (I'll make sure I'm at the next one!)  
Below are a few photos from the day (Thanks Liz)

### **Christmas at the Garden**

We had a lovely Christmas catchup in the garden last Friday night. Gail did a headcount and said we had 39 members attend. The weather was great and there was lots of laughter amongst the group.

### **21<sup>st</sup> Birthday**

Next year in June the garden will celebrate its 21<sup>st</sup> birthday. Planning will begin early in the New year for a 21<sup>st</sup> birthday celebration. Details in the February newsletter.

### **New Year catch up at the Garden**

Based on the successful Christmas dinner/drinks in December we will have another event in early 2026 before it starts to cool down. Stay tuned for a date!

### **Bunnings Christmas Event**

RCG had two tables at the annual Bunnings night for kids. Marlene from Bunnings provided us with jiffy pots, soil and a large tray of vegetable seedlings. We had lots of youngsters plant a seedling to take home with them. We also got a \$100 gift voucher from Bunnings as a present for supporting the night. I'm very impressed with what Bunnings do for the wider community. We will be there again next year. Thanks to Ian & Kay, Jenni L and Tom F for helping on the night.

### **Community event**

Jaclyn came to the garden during this year and spoke about planting for native birds, bees and butterflies. She is speaking again at the Rosebud library on 9<sup>th</sup> January 2026. It's a free event but you must book a ticket via Eventbrite

**Author Talk:  
Planting for Native  
Birds, Bees and  
Butterflies**

Friday 9 January, 11am  
Rosebud Library

## **Spring Community Gardens Newsletter**

Attached to this email is the Spring edition of the Community Gardens Newsletter. Gail and I attended the last event hosted by the Blairgowrie Community Garden.

### **Toilet news**

After using the toilet can you please make sure there has been enough water pumped to clear everything. Please also keep it clean for the next person.

I hope everyone has a Merry and Safe Christmas and New year. See you at the Garden!

Regards

Ross  
President.
