

ROSEBUD COMMUNITY GARDEN

November 2025 Newsletter

One day hot, One day wet, as my mother would say – good for the garden! Welcome to the November RCG Newsletter.

Bunnings Sausage Sizzle

Thank you again to all the volunteers on the day. Last time we had a very windy day, this time it rained a good part of the day. Even though the weather was average we managed to net about \$1,600 and we all had a good laugh. We sold sausages in bread, sausages no bread (I think for some dogs that were visiting the store) and had a request late in the day for bread and onion but no sausage (a first maybe).

We have requested another day in March next year or thereabouts so watch this space. It's a great way to raise funds for the garden which we can use to enhance the facilities.

Open Day – Sunday 23rd November

Just over two weeks away. Thank you for those that have offered to make a cake etc... and to those that whilst they will be away have made a cash donation for the day. Both are greatly appreciated.

It's not too late to still bake something and drop it around on the Sunday morning. If you need to contact our event's organiser – please call Gail on 0413 092 504.

We have a working Bee on the Saturday (22nd November) from 11.30am to get things done for the open day. If you can come down and help that would be appreciated.

Please tell family and friends to come along, there will be lots to do and see. Gail will post something on Facebook shortly to tell people what's happening and when.

A reminder to make sure your plot is in tip top shape for the day.

Safety alert

Please make sure there is nothing next to your plot that could be a trip hazard (eg empty pots, stakes).

Toilet

The toilet is back up and running and does not leak anymore when you use the foot pump.

Christmas at the Gardens

Put it in your diary / phone etc.. Friday 5th December from 5pm. The Pizza oven and BBQ will be fired up and it's **BYO everything**.

Hoping for a sunny day and stick around to see the fairy lights at dusk !
