* Taps must be turned off before leaving the garden and hoses put away.

*Produce grown in the communal section of the garden is to be shared evenly amongst the members working there or on other communal projects, with excess offered to charities.

*It is the responsibility of members who bring materials into the garden for use on their plots to remove such materials when their use is finished, e.g. trellis, frames, netting etc.

7. Garden Shed and Garden Equipment.

- *The garden shed must be kept in a neat and tidy state.
- *No hazardous materials/chemicals are to be stored in the garden shed.
- *The garden shed will be secured with a lock and must be kept locked when not in use.
- *Only garden equipment which is the property of the RCG is to be stored in the shed.
- *Gardeners using this equipment should clean it after use and return it to the appropriate place.
- *Communal equipment and materials must not be removed from the Rosebud Community Garden.
- *If any gardener damages or breaks communal equipment they must report the damage to the Committee. The cost of repair is the responsibility of that gardener and payment can be negotiated.
- *Bird netting that complies with Government regulations may be used on members' beds. Members have a responsibility to ensure that birds cannot be caught in netting. Please ensure that your netting has no holes and is totally secured around the bottom. Mend any holes you see or replace torn netting.

8. Code of conduct of Gardeners

a) Rights of Others

*We aim to be a happy and friendly garden by the Bay" within the guidelines mandated by the Mornington Peninsula Shire Council Community Garden Policy which sets out responsibilities of Community Gardeners. Therefore, as members we are required to be inclusive, act in a civil manner and be respectful of others. Decision making is to be democratic, transparent and include the views of other members to achieve harmonious agreement. Issues of conflict between members are expected to be resolved with immediate conciliation by those involved. Members breaching this guideline, may, at the discretion of the Committee, have their membership revoked.

*The rights and cultures of others must be respected at all times and no individual should be discriminated against because of social background, physical/mental ability, race or religion.

*Smoking is prohibited within the designated garden area.

b) Garden Security and Safety.

* A lock will be used to secure the Rosebud Community Garden gate and sheds. Each member will be issued with a key. \$10 Security will be required from the member on issue of the key.

*Members must not give or loan their key to any other person without the permission of the Committee.

*Members must close and lock the gate when they enter or exit the Rosebud Community Garden.

*All accidents are to be reported to the Committee.

c) Visitors

*All visitors to the RCG are the responsibility of the member who has invited them into the garden. Invited guests are not permitted to remain in the garden once the member has left.

*Members will not allow their invited guests to breach, in any way, the rules and guidelines of the RCG. If this occurs the member will be held responsible for their visitor's actions.

d) Children

*Adults must supervise children at all times.

e) Pets

* Members only may bring their own dog into the garden, it must be on a short leash at all times and securely tethered at the member's own plot site. The member is totally responsible for the dog's behaviour, including removal of droppings, must repair any damage caused and accept all liability for any circumstances arising, including the wellbeing of the dog. A breach of this rule may result in the member forfeiting their membership and plot after one warning and at the discretion of the committee.

f) Alcohol

* Alcohol is prohibited in the grounds of the RCG unless authorised by the Committee.

g) Illegal Plants

*Illegal plants are not to be grown in the Rosebud Community Garden.

h) Litter

* All litter must be removed from the garden by the member responsible.

9. Communal Activities and Involvement in the Garden

* Members are required to take an active part in garden activities and the running of the garden by attending monthly meetings, workshops and working bees, or other tasks by arrangement, and are encouraged to take an active part on the committee.

* Members are required to contribute one hour per month to communal garden activities and/or fundraising activities as organised by the Committee.
